

# Better Together

Name: \_\_\_\_\_

## Learning Targets:

1. I can formulate the principles that World Vision interacts with people of other faiths.
2. I can reflect on my attitudes and feelings of working with people of other faiths.

In light of the above learning targets, and the work we've done to day in class, complete the following:

1. Of the list of World Vision principles, we developed today, write down the one list item that is most impactful for you. Why did you choose it?

---

---

2. What feeling did you notice bubble up inside you today as we discussed interfaith relationships? Why do you think that is?

---

---

3. What is a question you would like to ask a person of another faith in our own community?

---

---

4. What is a question you are left with after today's class?
