

# Transformational Narratives

## LEARNING PLAN 5 (CHAPTER 9-10)

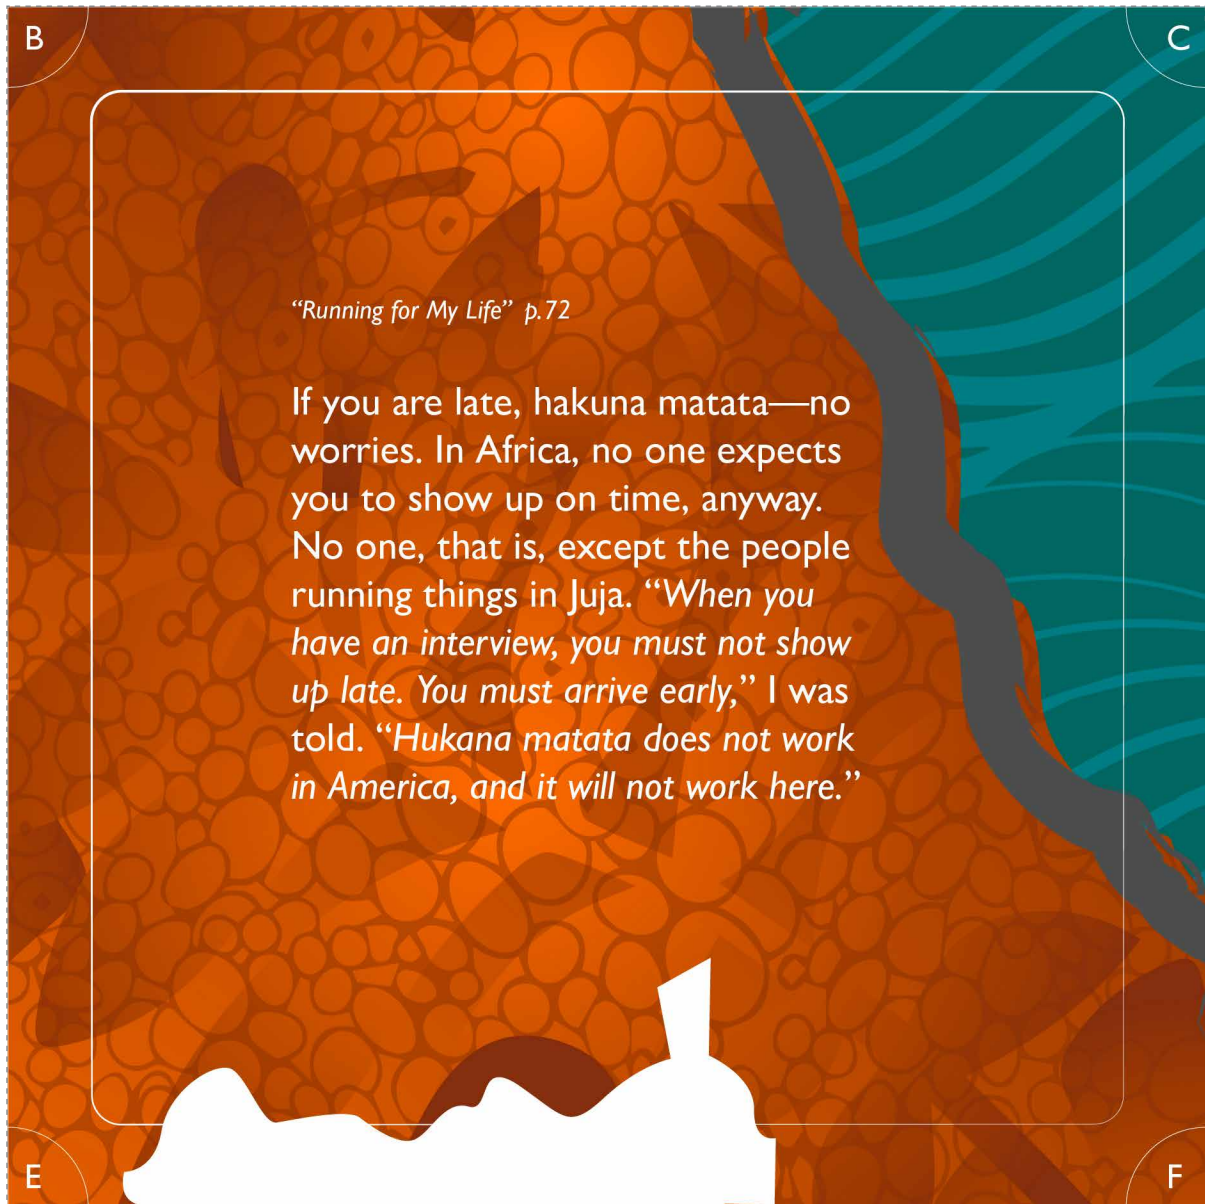

### Hey there Educator!

1. Print each excerpt page at 100%, using the 1"x1" test square on each print as a guide.
2. Cut out the graphic square with text on p.2
3. Align the square with their corresponding corner alignment markers to ensure that the pieces fit together appropriately and text remains legible.

When each of the 15 text excerpt graphics has been printed and mounted to the blackboard, the result will be a 25" x 30" map of Africa!

If you are late, hakuna matata—no worries. In Africa, no one expects you to show up on time, anyway. No one, that is, except the people running things in Juja. *"When you have an interview, you must not show up late. You must arrive early,"* I was told. *"Hakuna matata does not work in America, and it will not work here."*
