

Transformational Narratives

LEARNING PLAN 12 (CHAPTER 23-24)

Hey there Educator!

1. Print each excerpt page at 100%, using the 1"x1" test square on each print as a guide.
2. Cut out the graphic square with text on p.2
3. Align the square with their corresponding corner alignment markers to ensure that the pieces fit together appropriately and text remains legible.

When each of the 15 text excerpt graphics has been printed and mounted to the blackboard, the result will be a 25" x 30" map of Africa!

As soon as I stepped on the track,
people around the world would
hear my story. Once my story got
out there, I knew God would also
open doors for the bigger dreams I
had for my people in Kimotong.
