

# Transformational Narratives

## LEARNING PLAN 15 (EPILOGUE)

### Hey there Educator!

1. Print each excerpt page at 100%, using the 1"x1" test square on each print as a guide.
2. Cut out the graphic square with text on p.2
3. Align the square with their corresponding corner alignment markers to ensure that the pieces fit together appropriately and text remains legible.

When each of the 15 text excerpt graphics has been printed and mounted to the blackboard, the result will be a 25" x 30" map of Africa!

**NOTE:** When the other 14 text excerpt pieces have been placed on the bulletin board, there will be a white area left blank in the middle of the graphic. This space is intended for the last excerpt below, which is shaped like South Sudan—the author's home country.
