Expressions of Power Skit

Directions: As a team, we will apply our collaboration skills to create a skit that shows how power can be a tool or lead to violence. Come back to our definition of the expression of power. It's how we handle our power, and our narrative that is important.

Time Keeper: ensures group finishes before the expected time; helps keep team on task
Facilitator: leads the group through the checklist
Expectation Keeper: helps hold group accountable; ensures everyone is heard
Recorder: writes ideas for the group

Step One: Brainstorm a few ideas before deciding. Your skit must reach the transformative change level.

Skit Outline:

How does your skit model the expression of power? What narrative is being expressed through this power dynamic?
