

Deeply Loved, Loving Deeply

Hey there, Educator!

As a fundamental part of the Ignite experience, the document panel is a collection of artifacts representing the journey of Ignite in your classroom. During each learning plan, your students will have an opportunity to interact with the panel—connecting artifacts to the visual journey of their learning.

Watch for suggested visual artifacts to add to your document panel with every learning plan. These artifacts will contribute to the ongoing learning story, and serve students as reminders to form lasting, authentic relationships with their neighbors. You are also encouraged to write the **deep hope**, **driving question**, and **foundational scripture** in a primary location on your panel.
