

### Community Engagement – Reflection

Answer the following questions about the relationship at the center of your community engagement:

Who was the relationship between? Which kind of poverty is this?	How was the relationship broken?	How is the relationship restored, or beginning to be restored?

You looked for examples of love in action during the community engagement. Our deep hope for this learning expedition is that we would be empowered by love to seek restorative transformation in broken relationships.

**How did love empower you during this community engagement?**
