

Researching Relationships – Part I

Name of Sponsored Child:	Name of Country:	Name of Community:
--------------------------	------------------	--------------------

Evidence of Poverty (Broken Relationships):	Evidence of Wholeness (Transformed Relationships):
---	--

How could this community experience greater fullness of life?

Reflection

How successful do you feel you were today in meeting each of our learning targets?

Rate your progress on a scale of 1-5.

1. I can research the ways in which my sponsored child's community could experience greater fullness of life.

*I didn't find much information
through my research*

*I found lots of information
through my research*

2. I can consider how to honor the voices of others in my sponsored child's community.
