

*If we have an incomplete understanding of poverty, we will end up with incomplete solution. With a partner, complete each idea.*

1. If the poor are poor because they are sinners, then the solution to poverty is...
2. If the poor are poor because they are sinned against by those in power, then the solution to poverty is...
3. If the poor are poor because they lack knowledge, then the solution to poverty is...
4. If the poor are poor because they lack things, then the solution to poverty is...
5. If the poor are poor because their culture is flawed, then the solution to poverty is...
6. If the poor are poor because the social system they're in makes them poor, then the solution to poverty is...
