

COMMUNITY ENGAGEMENT PROJECT - Interview Analysis

DRIVING QUESTION:

These are prompts to guide your thinking as a group. They do not need to all be completed like worksheet questions.

- What were the biggest impressions or takeaways from the conversation?
- What's something you heard that was unexpected or surprising?
- Which root cause area seemed to be best addressed by this organization? (spiritual, social, material, mental)
- Were they doing relief, rehabilitation, or development work? Was this appropriate?
- What was most praiseworthy about their work?
- What deeper questions do you have? What are you still wondering about what's behind this problem in your community?
