

# The Pursuit of Transformation

Name: \_\_\_\_\_

Learning Targets:

1. I can share my learning of physical transformation using the graphic organizer I created.
2. I can begin to consider how to contribute to flourishing through physical transformation.

What was your biggest “take away” when listening to others present their graphic organizers?

---

---

What idea for “flourishing through physical transformation” most peaked your interest in today’s brainstorming session?

---

---

What is a question you are left with from today’s class?

---

---
