## 4.2.A

### Relationships in God's Story

As you watch and consider God's story, write examples of right relationships, broken relationships, and restored relationships that you recognize. Relationships can be between people and God, other people, and their environment, etc.

<b>Right Relationships</b>	<b>Broken Relationships</b>	<b>Restored Relationships</b>
What is good? What is working?	What went wrong? What stopped working?	What was fixed? How was it fixed? Who fixed it?
