

Relationships Model

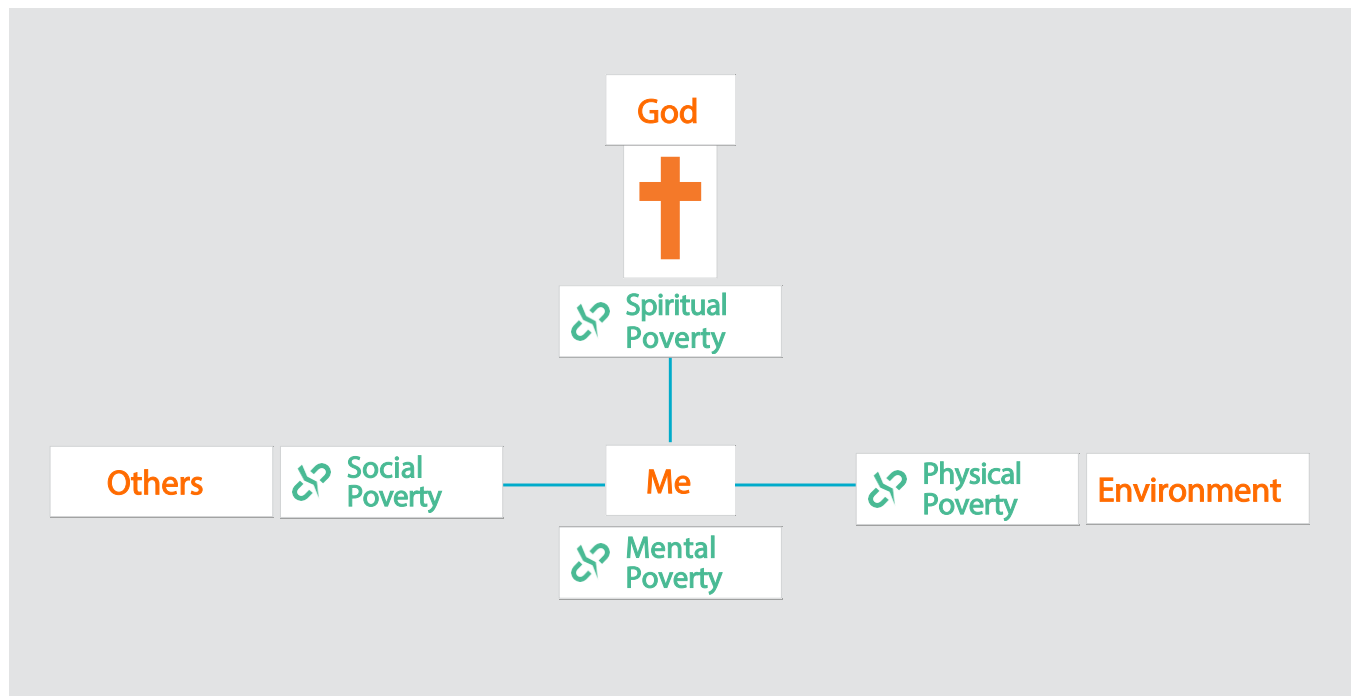

Materials Needed:

- Relationships Model handout
- Scissors
- Tape

Activity Instructions:

- Help your class create a relationships model on the bulletin board. It will consist of four main cards ("Me," "God," "Others," and "Environment"), which you can connect using string to make straight lines, and four poverty cards ("Spiritual Causes of Poverty," "Social Causes of Poverty," "Physical Causes of Poverty," and "Mental Causes of Poverty").
- The cards will be assembled to provide a model for how poverty works among relationships. See the relationships model example below for what it will look like by the end of the unit.

Relationships Model Example

Me

God

Others

Environment

**Spiritual causes
of poverty**

**Social causes of
poverty**

**Physical causes
of poverty**

**Mental causes
of poverty**
