

My deep hope is that we would stand up for human dignity and seek justice, just as Christ has done.

*How can we seek justice in our lives  
and globally for human rights?*

“This is what the Lord Almighty said: ‘Administer true justice; show mercy and compassion to one another. Do not oppress the widow or the fatherless, the foreigner or the poor. Do not plot evil against each other.’ ”  
—Zechariah 7:9-10 (NIV)
