

## Trapped in Poverty

### Instructions:

Every time you come across a “root” of poverty in the simulation, write down the example below in the appropriate spot. When you reach the end of the simulation, summarize the outcome in one to two sentences. Repeat this process a second time, choosing different answers in the simulation.

Examples of poverty’s physical root:

Examples of poverty’s social root:

Examples of poverty’s spiritual root:

Examples of poverty’s mental root:

### Simulation conclusion summaries:

*(include the results for each time you completed the simulation)*
