

# How a \$1 donation leads to \$1.80 in impact

Most of it (around 65 cents) directly funds our community-based programs, in areas like:

The rest (about 35 cents) supports services and systems that stretch your dollar and make it more effective:

By integrating grants and donated goods into our programs, we're able to provide an additional 80 cents worth of impact for kids and families.

The bottom line?

**For every \$1 you donate, we deliver, on average, \$1.80 in impact.**
