

# How a \$1 donation leads to \$1.70 in impact

Most of it (around 60 cents) directly funds our community-based programs, like:

The rest (about 40 cents) supports services and systems that stretch your dollar and make it more effective:

By integrating grants and donated goods into our programs, we're able to provide an additional 70 cents worth of impact for kids and families.

The bottom line?  
**For every \$1 you donate, we deliver, on average, \$1.70 in impact.**
