

Material Needs, Economic Solutions

[Sponsor Child's name here]

Age, country

Include your
neighbor's picture!

Country Profile

- Unemployment figures (HDI index)
- Child labor figures
- Trade and major industries

Sources:

- [UN Human Development Index](#)
- Internet research

Material Needs

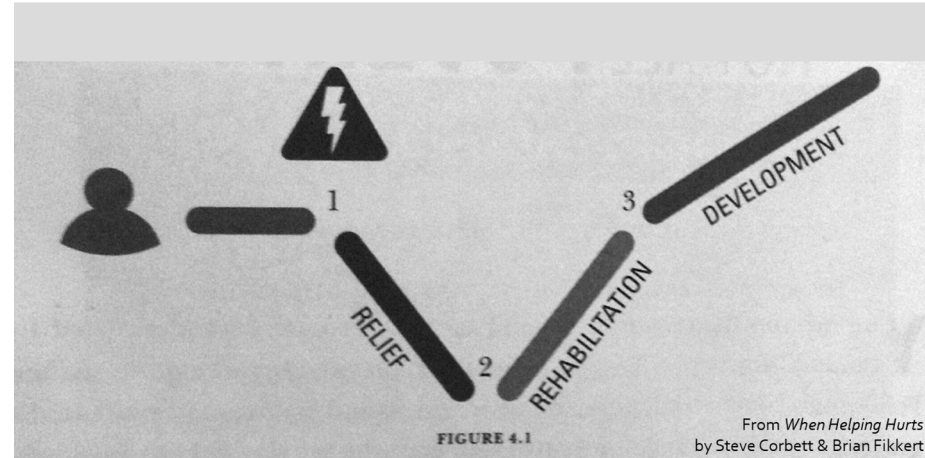

- List some material needs and material causes of your neighbor's poverty here
- Which are most damaging to the biblical vision of abundant life?
- What social, mental, and spiritual effects might this have? (It's okay to *wonder...*)
- Include a picture!

Relief, Rehabilitation, or Development

- In your estimation, is your neighbor in need of relief, rehabilitation, or development? Explain.

Need a refresher? [Relief, Rehabilitation, Development reading](#)

Economic Solutions

- What development models might offer solutions in your neighbor's community? Explain
- Consider the role of markets and economic sustainability

My prayer for [INSERT
NEIGHBOR'S NAME] is...

Include a picture of
your neighbor, their
community, or their
country
