

Dear Parents,

As you know, your child has been on a learning expedition focusing on reflecting the love of God to neighbors nearby and across the world.

To help your child practice hugging people in the community, we need your help.

Please help your child with the following:

1. Do a kind thing for someone in the community (we call this a "hug")
2. Give the attached "Community Hug Card" to the recipient with or after the "hug"
3. Encourage your child to explain what the hug card means.  
(God's love plus our actions equal hugging God's World)

Ideas for "hugging"

- bring food to a sick friend
- make a card for your pastor
- leave extra money for the waitress
- make cookies for a police officer
- carry the groceries for a neighbor
- give flowers to the librarian

Thank you so much for your help and please let me know if you have any questions about this Community Engagement project.
